

UPDATE: March 23, 2020:

NeuroSpine Center of Wisconsin is committed to our community and we are making immediate adjustments to contain the spread of the coronavirus (COVID-19) to protect our patients and our staff. Clinical staff and physicians are available for your urgent/emergent needs. Please call our office at (920) 882-8200 and we will assist you.

Clinic schedules are adjusted to reduce the number of people that you come in contact with during this time. Additionally, we will not accept payments at our Front Desk during this time to reduce contact in support of social distancing. We will bill you for any copays you are responsible for based on your insurance plan. You may pay your bill on-line for your convenience.

We sincerely THANK YOU for your understanding as we make adjustments to keep our patients, team members and community safe during this time.

We will continue to monitor this situation and further adjustments will be made as new updates and information develop. If you have any additional comments or concerns, we would like to hear from you. Your safety is our highest priority and we truly appreciate the trust that you place in our team.

**We have office locations in Appleton, De Pere,
North Fond du Lac and Oshkosh.
To schedule an appointment call (920) 882-8200.**
