

## Robert J. Daul, MPT

Bob has been with the NeuroSpine Center of Wisconsin as a physical therapist since he graduated from Concordia University Wisconsin in 2000. Bob specializes in manual therapy with a particular interest in treating injuries to the low back, neck and headaches. Bob has over 600 hours of continuing education having completed the Michigan State Osteopathic Medicine series as well as functional classes from the Institute of Physical Art. Recently he became a certified Dry Needling Specialist. He is pleased to be a part of this accomplished department and to have the opportunity daily to achieve positive outcomes with patients who had been treated elsewhere with limited success.

Bob has been married to his wife Cory for 19 years and is the proud father of two children in High School.
